PPT GUIDE

Make a PPT people actually remember.

5 rules teachers, bosses and investors all notice.

Your saarthi for every task

RULE 1 OF 5

01

One idea per slide

If a slide needs two headings, it should be two slides.

RULE 2 OF 5

02

Write the point, not the topic

The title should say what you want them to remember.

NOT THIS

~~Sales~~

DO THIS

Sales grew 20% after we went online

RULE 3 OF 5

03

Big text, few words

If people at the back can't read it, it's too small. Keep body text 24pt or more and under 30 words a slide.

RULE 4 OF 5

04

A picture beats a paragraph

Turn lists into a chart, a diagram or one strong photo. Say the details out loud.

RULE 5 OF 5

05

End with one ask

Finish with the one thing you want: a decision, a mark, a yes. Not "Thank you".

EXAMPLE

Approve ₹50,000 for the pilot by Friday.

KRISH AI

Tomorrow, the first draft takes one line.

Krish AI turns "make a 10 slide PPT on..." into real slides you can download.

LAUNCHING 28 OCTOBER
